

# Creative Assessment GO BEYOND PAPER AND PENCIL!

Do pen and paper activities and assessments put you and your students to sleep?  
Well . . . there are creative, simple, and effective alternatives.

## ***Being creative inside a Data Driven Environment!***

These methods will use your time and data more effectively to enhance your students' motivation and learning. In this interactive workshop, teachers discover and practice creative ways to activate students' desire to learn and assess what they learned with immediate results.

## ***What is it?***

A 90 minute interactive workshop for veteran & pre-service teachers. Led by Prime Stage Education Director, Linda Haston, Artistic Director, Wayne Brinda, Ed.D. & English teacher, Heather Huber-Clark.

*"The workshop stimulated us to stimulate our students to want to learn! This is what I was looking for." ~ C. Werner*

## ***I have the results -- Now what? What do teachers & pre-service teachers get out of it?***

Motivated students = less behavioral problems.  
Time management ideas (planning from the end).  
Effective ways of using rubrics to validate creative assessment.  
Access to proven, research-based methods that can be immediately used in the classroom.

*"I learned really creative ways to explore both simple and complex questions and help students ask questions on their own." ~ M. Jenkins*

## ***They have the results -- Now what? What do administrators get out of it?***

More creative teachers = motivated students = successful learners.  
More confident teachers.  
Efficiently run classrooms.  
Teachers who achieve success with assessments & data.

*"The workshops provided me with a plethora of ideas to develop in-depth perspectives with my students. I can't wait to use them in my classes."  
~ K. Kalb*
